OUR  BEATS FOR TARGETSPRINT

Invitation HOMBRECHTIKON INTERNATIONAL TARGETSPRINT BOOM 2023 OUR BEATS FOR TARGETSPRINT

Dear Target Sprint Family

The Sport shooters Hombrechtikon (CH) with the TargetSprint Team Hombrechtikon organize for the third time a national competition in Hombrechtikon near Zurich. To promote the sport TargetSprint in Switzerland, we as organizers have decided to open this competition internationally. We want a large and international field of participants! It is very important to us, to show that even with little infrastructure a good Target Sprint event is possible! Our facility offers a unique view of Rapperswil Castle, Lake Zurich and the mountains, a beautiful place on Lake Zurich!

It is a great concern for us to make Target Sprint more known in Switzerland. We will set up a marquee for over 200 spectators and hope to fill it with international and national athletes.

To be able to plan the event optimally, we would like to know from you whether there is interest to start with us in Hombrechtikon and what the basic requirements are for you. We organize the INTERNATIONAL TARGETSPRINT BOOM 2023, only with enough pre-registrations! Decision about the realization is on 31 January 2023. Pre-registration until 31.12.2022. Definite registration deadline for the HOMBRECHTIKON INTERNATIONAL TARGETSPRINT BOOM 2023 is then 23 June 2023. If the International Open does not come about, international athletes can join the national competition out of competition.

Target Sprint in the Canton of Zurich

As the responsible Resort Manager TargetSprint at the Zurich Shooting Sports Association I try to promote Target Sprint with all means available to us. The board of the Zurich Shooting Sports Association welcomes it and we already have 3 Target Sprint bases in the canton of Zurich. So, we can speak of a Target Sprint stronghold in Switzerland.

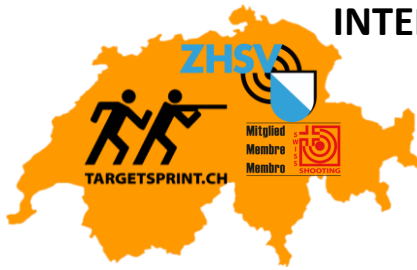

Come to Hombrechtikon and feel the Target Sprint SWISS BOOM 2023 Live as an athlete!
